## Data protection statement:

### 1. Responsibility

- valcom oHG, Averhoffstraße 14, 22085 Hamburg, is responsible for processing the data in compliance with data protection regulations.
- Personal data is stored for the following purposes:
- To carry out sales and auctions
- Offer and catalogue mailing (if you would like to receive these, please tick here ☐)

### 2. Where is which data stored:

- Company server and mobile IT system
- Personal data such as company name, surname, first name, address, telephone number, fax number and email address (for coordinating the collection of auctioned items and sending invoices in advance) is stored here.

### 3. Who can access the data?

- Owners, employees, clients and, if applicable, service providers (shippers)

### 4. Transfer to third countries

- No

### 5. Deletion period

- If a bid is accepted, it can be assumed that the personal data is relevant for accounting purposes. It will therefore generally be stored for 10 years. The retention period begins at the end of the calendar year in which the last entry was made in the book, the inventory, the opening balance sheet, the annual financial statements or the management report were prepared, the commercial or business letter was received or sent, or the accounting document was created, and the record was made or the other documents were created.

### 6. Legal basis

- The collection, storage and transfer of data is carried out in accordance with the GDPR.

### 7. Consent of the data subject

- By signing, you consent to the storage and processing of your data. Otherwise, participation in sales or auctions is not possible.
- Consent to the sending of offers and catalogues can be revoked at any time. If consent is not given or is revoked, it will no longer be possible to send offers and catalogues.
